

REACTJS (ASSIGNMENT 5)

AIM:

The aim of this exercise is to style React components using CSS Modules. The application displays multiple cohort details in card format with proper styling. The current status of each cohort is highlighted dynamically using different colours.

Technologies Used

- ReactJS
- JavaScript (ES6)
- CSS Modules
- JSX

FILE STRUCTURE:

IMPLEMENTATION:

1. Created CSS Module

A CSS Module named **CohortDetails.module.css** was created to style each cohort card.

The following properties were applied:

- Border
- Rounded corners
- Margin
- Padding
- Fixed width
- Inline-block display

2. Imported CSS Module

The CSS Module was imported inside **CohortDetails.js**.

import styles from './CohortDetails.module.css';

3. Applied Styling

The cohort information was enclosed inside a div and the CSS class was applied.

```
<div className={styles.box}>
```

4. Dynamic Status Color

Conditional rendering was used to display different colors for the current status.

- Ongoing → Green
- Scheduled → Blue

CohortDetails.js:

```
import styles from "../CohortDetails.module.css";
function CohortDetails(props) {
  return (
    <div className={styles.box}>
      <h2>{props.cohort.cohortCode} - {props.cohort.technology}</h2>
      <dl>
        <dt>Started On</dt>
        <dd>{props.cohort.startDate}</dd>
        <dt>Current Status</dt>
        <dd>
          <h3>
            style={{
              color:
                props.cohort.currentStatus === "Ongoing"
                  ? "green"
                  : "blue"
            }}
          >
            {props.cohort.currentStatus}
          </h3>
        </dd>
        <dt>Coach</dt>
        <dd>{props.cohort.coachName}</dd>
        <dt>Trainer</dt>
        <dd>{props.cohort.trainerName}</dd>
      </dl>
    </div>
  );
}
export default CohortDetails;
```

CohortDetails.module.css:

```
.box{
  width:300px;
  display:inline-block;
  margin:10px;
  padding:10px 20px;
  border:1px solid black;
```

```
border-radius:10px;
}
dt{
font-weight:500;
}
```

OUTPUT:

```
